Editor in Chief, *Interamerican Journal of Psychology*

Dear Dr. Torres:

I am sending this letter to retire the manuscript entitled 'Work engagement, teaching practices with motivational effects and learning-oriented classroom motivational climate' submitted to *Interamerican Journal of Psychology* in June 17, 2016. The reason for retiring it is the lack of an editorial decision, considering the length of time since the submission.

I hope that in the case of future submissions we can complete the process within a reasonable time.

Sincerely,

Francisco Leal-Soto
